Prayer Focus

In March, one of the strongest cyclones to hit Madagascar since 2012 struck the northeast coast, near the town of Antalaha. Reports indicated that 50 people were killed and 176,000 were displaced. As the country slowly recovers from this disaster, please pray that God will provide clear paths for volunteers, resources, and services. Ask Him to comfort those who are grieving the loss of life and property, and also of livelihood.
